## September Meeting Highlights

We hold meetings once a month at the HS. The dates are updated on our website. Please visit it at [www.geocities.com/hackettstown\\_wrestling](http://www.geocities.com/hackettstown_wrestling) for the latest information.

At this month's meeting we discussed and decided on our next 2 Community Clean Up dates. They are Saturday September 17 and Saturday October 8, 9AM, meeting at the upper HS parking lot.

We heard from Diane Bourland on our participation in the "Harvest Festival" set for Saturday October 15.

Diane also let us know that sales of our pawprint items is going extremely well and that the products are much in demand.

Any goods remaining after the festival will be on sale at the Hatchery Hill craft show on Sat. Oct. 23.

Linda Mitchell reported that while she has sold quite a few advertisements for the wrestling program, she is still in need of another \$1000 in ads. Please look over the enclosed form and remember the cost to our wrestling parents is 1/2 the stated prices.

We touched on the topic of what to do for wrestling apparel for this year. What we would really like is more feedback from you as to t-shirts, sweatshirts, shorts, etc. before any decisions are made.

We discussed the possibility of having a table at back to school night as a way to pro-

mote the Booster Club and raise awareness of our organization. We received approval for this and will be happy to be there on Thursday Sept. 29.

Our financial report shows a healthy balance of \$2854.04 as of 9/12/05. Thank you to all our supporters and volunteers who keep us in the black.

Please remember that any excess monies raised this year are being dedicated to defraying the cost of sending the boys as a team to wrestling camp next summer.

### Don't Forget!

- Next Booster Club meeting is Monday October 3 at 7PM in cafeteria.

## Volunteers Needed

There will be many opportunities to help out in the upcoming weeks. Please volunteer for at least one of our events.

Community Clean Up is the one event we need as many volunteers as possible. Our

goal is to have 66 people show up. This would allow us to receive the full \$500 available to us through Clean Communities.

We work at a leisurely pace picking up litter around H-town, starting with the football field. Everyone who

comes counts: kids, adults and teens. It was fun in August and will be more enjoyable now that the days have cooled.

The Harvest Festival in H-town is another area we need your help.

## 05/06 Wrestling Booklet

We are building a booklet for this season. It will be available at all home matches and will feature our team. There will be pictures and stats and much more.

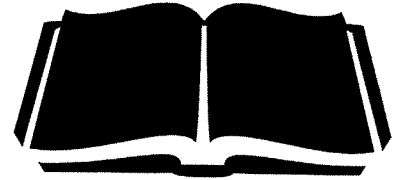

We are in the process of collecting advertisements to offset the cost. We are offering space to our parents at a discount for you to express your best wishes to an individual or to the team.

If you have a business and would like to advertise in the program, the price is also discounted for our wrestling parents. There are many sizes available to fit your

needs.

We would like to have this wrapped up by the middle of Oct. in order to work on the layout and allow for printing time.

The flyer for ad spaces will be coming home with this newsletter. Please mail back to Linda Mitchell 800 Bell's Lane, Hackettstown, NJ 07840. Phone # for Linda is 813-2292.

## Volunteers cont...

We will be located in one of the town's community parking lots along Main St. We will be selling our paw print purses, CD holders, car magnets, stadium cushions, etc.. We would also like to sell some home baked goods. So even if you don't have the time to spend at the stand, you can still participate. Please call Diane at 637-8854 to volunteer.

The times for the festival are 10AM–5PM Saturday October 15. Please visit our stand and be one of the first with a Hackettstown Wrestling car magnet!

## Summer Camp

While all the details haven't been worked out yet, the Club and Mr. Rodgers are putting together plans for attending summer camp. We are working hard at raising money to help with this expense.

If you attended a camp this year, please let us know how it went. We have no particular camp in mind as of yet and are looking for feed back.

Some of the camps we are looking at are Lehigh, Stroudsburg and the College of NJ.

It would be a great opportunity for the wrestlers to go as a team and a lifetime of memories too!
