Hello,

The Hackettstown High School Wrestling Booster Club is planning to have a program book this year to sell at all the home matches.

We are offering you a great opportunity to advertise in our program which will be seen by many local and surrounding potential customers. And you would be showing support for the HHS Wrestling Team and School. We are looking to sell a min. of 250 programs during the regular season which on average are 6-8 home matches. Additional programs will be purchased if the team makes it to sectionals again.

All proceeds will go directly to the Wrestlers. We are hoping to send them to camp next year so they may continue wrestling with the passion they have shown the town this past season.

You will receive a complimentary copy for sponsoring the HHS Wrestling Club.

Thank You for your support
Linda Mitchell
