Dear Ms. Weiss:

I am responding to the full-time computer scales position advertised in yesterday's *New England Tribune*. As indicated on the enclosed resume, I have the credentials you are seeking and believe I can be a valuable asset to National Computer Sales.

I recently received my bachelor's degree in information and computer technology from Hartford College. The following table outlines areas of concentration.

Computer Software and Programming	21 hours
Professional Communications	15 hours
Business	15 hours

In addition to my coursework, I have the following sales and computer experience:

- Worked as an intern at Computer Discount Scales, selling hardware and software components to home and small business customers
- At Hartford College, tutored students having difficulty with computer classes
- Prepared all fliers and newsletters for the New England Ski Club

As you can see by my resume, I am well qualified for this position. I will call you next week so we can set up a time to discuss my career opportunities at National Computer Scales. If you would like to speak to me before then, please call me at (860) 555-4499.

Sincerely,
