

# Hay Creek Valley Saddle Club

June 1, 2006

Hello!

The Hay Creek Valley Saddle Club (HCVSC) is asking for a donation from your business to help support the HCVSC Open Show scheduled for Saturday and Sunday, June 25 and 26, 2005. This event will be held at the Pierce County Fairgrounds in Ellsworth, Wisconsin. We have established a partnership with the Pierce County 4H organization for this two-day horse show to provide an additional event for the children to enjoy. The HCVSC mission is to provide a healthy, safe way for children and families to enjoy horses and promote family values. A percentage of our profits are also used to provide an annual scholarship.

The investment to sponsor is only \$25.00 per class! If you would like to contribute an amount that is less, we would certainly appreciate it also. I have enclosed a copy of the show flyer along with a receipt for your business records. You may fill out a brief description of your business which will be announced before all of the horse show participants and enthusiasts at our upcoming two-day show.

Please mail your donation and brief description in the enclosed envelope.

Thanks for your past support of Hay Creek Valley Saddle Club! We look forward to another year of outside activities with our horses.

Sincerely,

Carole Adams, 2006 HCVSC Royalty and Treasurer
