

# **Follow Me**

## ***Before we read...***

Is there somebody you respect at school? At church? Name someone who's roughly your age (+/- 3 or 4 years) who fits that bill. Why is that person deserving of respect?

What does it mean if I say that you should "follow" that person?

## ***Reading the Scriptures I***

Scripture: Ephesians 5: 1-14

behavior	What it means
Greed (-)	Wanting more of something for selfish purposes.

## ***Before we read...***

So share with the group a summary of what you talked about last night at Guys or Girls Night Out. Note: Do **NOT** share the things that the leaders have told you not to share with others.

## ***Reading the Scriptures II***

Scripture: Ephesians 5: 15-33

1. Verse 15-16. Why are the days evil? Why is it important to be careful of how we live? (Hint: maybe look at previous verses)
2. Verse 21-33. Someone read verse 22. What does "submit" here mean? Or, what does it *not* mean? Why?
3. What do those same verses have to do with what you talked about at Guys/Girls Night Out?

## ***Questions for Thought***

Are we *required* to everything that Paul has listed? Why or why not?
