We lift up Your name,
Bb C
Above all names, above all names.

We honor and praise,
Bb C
For You are great, for You are great

Jesus, You have come and conquered the grave!
Bb C F
Jesus, You have come and given me life!
Bb C Dm F
Jesus, You have come and made me whole!

I am saved! I am saved!

Now You reign in the heavens
Seated by the throne
We draw near with confidence
For You've made us Your own

Bb C
I am saved, I am saved
Bb C F
By Your grace, by Your grace, I am saved
