

Sagittal microtonal notation

This image displays a musical score using Sagittal microtonal notation, consisting of 255 measures arranged in ten staves. Each measure is numbered sequentially from 32 to 255. The notation is based on a standard treble clef and a key signature of one flat (B-flat). The notes are represented by standard musical symbols (half notes, quarter notes, eighth notes, and sixteenth notes) with various Sagittal symbols (arrows, stars, and other microtonal indicators) placed above or below them to denote specific microtonal adjustments. The score is organized into ten staves, each containing 16 measures, with the final staff containing 5 measures (measures 244 to 255). The notation is dense and complex, reflecting the microtonal nature of the piece.
