

AIRWORTHINESS DIRECTIVE SUMMARY SUBJECT INDEX

ROTORCRAFT, GLIDERS, BALLOONS, & AIRSHIPS

JANUARY 2000

The indexes, which are published twice a year, are intended to be used as a guide only and should not be relied upon as conclusive evidence of AD applicability. Aircraft operators, inspectors, and persons performing maintenance are reminded of their responsibility under Sections 39.3, 43.11, and 43.13 of the Federal Aviation Regulations, respectively, to assure compliance with all applicable AD's.
