California Dollars for Scholars®

2008 Walk for Education

The 5th Annual 5k Walk for Education will be held
Saturday, October 25, 2008 at San Diego State University

What: Dollars for Scholars volunteers, students and anyone who believes in increasing access to postsecondary education will gather for a 5k walk around the campus at San Diego State University, and enjoy a College Fair, entertainment and raffle prizes. Dollars for Scholars chapters will keep 100 percent of what they raise for scholarships.

Why: Too many students are "locked out" of college by rising costs. One of the best ways to help is by increasing private scholarships. Since 1958, Dollars for Scholars has been doing just that throughout the U.S. by creating and supporting community-based, volunteer-led scholarship groups. In 2007, Dollars for Scholars volunteers awarded over \$403,000 in scholarships to San Diego students. With your help they will be able to award more next year!

When & Where: Saturday, October 25, 2008. Times: 8:30 a.m. registration, 10:00 a.m. walk start. From the I-8, take College Avenue exit and go south. San Diego State University will be on your right. Follow the Dollars for Scholars signs to Parking Structure 4. Walk over the pedestrian bridge and through West Commons. The registration and walk start area will take place at Scripps Cottage. (map online at: https://sunspot.sdsu.edu/map/SDSU_MAP.pdf)

How: Make a commitment to walk for education and bring the money you raise for your Chapter or for California Dollars for Scholars to the walk on October 25. For more information call (800) 335-4504 or e-mail: mail@californiadollarsforscholars.org.

Official walk t-shirt awarded to walkers bringing \$25 or more in donations.
