

Lesson Plan for Day 2, Tuesday, June 7, 2005

Co-op: Ms. Melitsky **Grade:** 4
Location: Triangle Elementary **Room:** 17
Time: 1:15PM - 1:45 PM

Topic: Habitats/Final Lesson

Contact Information:

Janelle Smith (teacher)
(908) 555-5555 (C)
jsmith@gmail.com

Ingrid Jones (assistant)
(908) 555-4444 (C)
ismith@hmail.com

Objective: To review what has been learned about habitats thus far.

Materials We Will Bring: Worksheets, models of various habitats to pass around the class.

Materials We Will Need: Tape, whiteboard, markers.

Procedure:

1. Set up materials and hand out worksheets to the students.
2. Explain rules and objectives of the review lesson on habitats to the students.
3. Presentation summary of facts about habitats by Janelle. Ingrid will move about and assist the students, helping them complete the worksheets as each fact is reviewed/established.
4. Complete the worksheets and have a Question and Answer check/review of the worksheets.³
5. Answer any residual questions about habitats or about the lesson the students may have.
6. Collect all materials and clean the area.
7. Say goodbye to class, obtain AGS grade sheet from Mrs. Melitsky and dismiss back to HHS.
