

Session IV
Homework Assignment
(Diplomats, A², God's Property, God's Unit, and Emanons)

The summer time is a wonderful time for you to explore some of your interests through summer enrichment or employment opportunities. Please follow the following steps to research possible summer programs for you to participate.

1. Go to the Enrichment Program web page on the [HLI Website](#)
 - a. Go to www.williamsmemorialcme.com
 - b. Click on "What's New" & "Check out our new website"
 - c. Find and Click on the "Enrichment Programs" tab on the left hand side of the HLI website
2. Explore all of the links on the website to find at least two (2) enrichment programs or employment opportunities that interest you
3. Find out the following information for each one of the programs that interests you
4. Talk to your parents about your program interests for the summer
5. Obtain application by downloading off the internet, contacting the program's coordinator, talking with your guidance counselor, or seeking help from a HLI mentor.
6. Apply for the summer program
7. Bring the Summer Enrichment Program Information Sheet to the next HLI session
