Former Participants of Higher Learning Institute Have Entered into a Higher Dimension

In February 2002, a program entitled "The Higher Learning Institute" was started at Williams Memorial CME Church in High Point, NC. This program taught middle and high school students that they could do anything through Christ. After graduating from this program on June 9, 2002, the participating students begin to make headlines for themselves.

"Young College Graduate, Styros Bates, achieves his dream."

"High Point Produces the first Black Woman Pediatrician to go BIG all over the World!! - Dr. Ashley Tameka Reid"
