Dear Virginia Tech Supporter,

I am participating in a unique memorial fundraiser striving to establish a scholarship in honor of the 33 Virginia Tech students and faculty who lost their lives on April 16th. I am one member of a group of 100 Hokie students, alumni, staff, and supporters who have pledged to run in the Marine Corp Marathon on October 28th, 2007 while raising \$1,000 each to put toward the scholarship.

My personal goal is to raise \$10,000!

While Virginia Tech has received support from caring people all across the nation, this event is special in that it is allowing those who were most directly affected by the tragedy to participate in something that will honor their fallen peers and faculty members. The minimum amount necessary to endow a scholarship is \$100,000 so it is imperative that each runner reach their donation commitment. Please consider sponsoring me with donation. Generosity is never too large nor too small. *All donations are tax deductible.*

Thank you for your consideration!

Sincerely,

A handwritten signature in black ink that reads "Erik". The signature is stylized with a cursive-like font.
