At the end of such time, such vehicle shall be disposed of unless previously claimed by the owner. If such vehicle is claimed by the owner, all reasonable charges for handling and storage shall be paid by the owner.

No person shall leave unattended any motor vehicle, trailer, semi-trailer or mobile home on any public street or highway or private or public property in the Town of Holland for such time and under such circumstances as to cause the vehicle to reasonably appear to have been abandoned. Whenever any such vehicle has been left unattended on any street or highway within the Town of Holland or upon private or public property without the permission of the property owner or other person charged with the lawful jurisdiction thereof for more than 72 hours, the vehicle shall be deemed abandoned and constitutes a public nuisance.

(1) A vehicle shall be presumed unattended if it is found in the same position 72 hours after issuance of a traffic ticket or citation and if such traffic ticket or citation remains placed upon the windshield during said 72 hours.

(2) Any vehicle left unattended for more than 72 hours on any public street or public ground or left unattended for more than 72 hours on private property without the consent of the property owner is deemed abandoned and constitutes a nuisance, provided that the vehicle shall not be deemed abandoned under this subsection if left unattended on private property outside of public view or if designated as not abandoned by Town law enforcement officers or municipal officials.

(3) Any abandoned vehicle, as described in this section, shall be removed and impounded until lawfully claimed or disposed of under the provisions of this chapter.

Any time the Town Constable, his designee, or other law enforcement official discovers any motor vehicle, trailer, semi-trailer or mobile home on any public street or highway or private or public property in the Town of Holland which has been abandoned, that person shall cause the vehicle to be removed to a suitable place of impoundment.

5.09: STORAGE OF ABANDONED VEHICLES.

Any abandoned vehicle which is determined by the Town Constable, his designee, or other law enforcement official to be abandoned shall be retained in storage for a period of fourteen (14) days after certified notice, as hereinafter provided, has been sent to the Wisconsin titled owner and/or secured party of record with the Wisconsin Motor Vehicle Division, except that if the Town Constable, his designee, or other law enforcement official determines an abandoned vehicle to have a value of less than \$100.00 or that the cost of towing and storage charges for impoundment will exceed the value of the vehicle, it may be junked or sold by direct sale to a licensed salvage dealer after having been retained in storage for a

period of seven (7) days and after certified mail notice, as hereinafter provided, has been sent to the Wisconsin titled owner or secured party of record with the Wisconsin Motor Vehicle Division, provided that it is first determined that the vehicle is not reported stolen or wanted for evidence for any other reason. - (5) That the failure of the owner or lien holder to exercise their rights to reclaim the vehicle under this section shall be deemed a waiver of all right, title and interest in the vehicle and consent to the sale of the vehicle.
- (6) That the owner or aforesaid party may, upon request, be granted a hearing relating to the determinations made with respect to said vehicle within the period that such vehicles may be reclaimed.

5.12: DISPOSAL OF UNCLAIMED AND ABANDONED VEHICLES.

- (1) Each retained vehicle not reclaimed by its owner or lien holder may be sold or otherwise disposed. The Town Board, at its discretion, may dispose of the vehicle by direct sale to a licensed salvage dealer, by direct sale to a licensed dealership, by sealed bid or by action sale.

Ten days after the sale, the purchaser shall forfeit all interest in the vehicle and the vehicle shall be deemed to be abandoned and may be sold again.

(4) After deducting the expense of towing, impounding, storage and sale, the balance of the proceeds, if any, shall be paid into the Town treasury.

(5) Any listing of vehicle to be sold by the Town shall be made available to any interested person or organization who or which makes a written request for such list. The Town may charge a fee for the list.

5.13: NOTICE TO THE DEPARTMENT OF TRANSPORTATION.

Within five (5) days after the sale or disposal of a vehicle as provided in this chapter, the Town shall advise the Department of Transportation, Division of Motor Vehicles, of the sale or disposal on a form supplied by the Department of Transportation. A copy of such form shall be given to the purchaser of the vehicle, enabling the purchaser to obtain a regular certificate of title for the vehicle, and a copy shall be retained on file in the Town.

5.14: OWNER RESPONSIBLE FOR COSTS

The owner of any abandoned vehicle, except a stolen vehicle, is responsible for the abandonment and all costs of towing, impounding, and disposing of the vehicle. The Town Clerk shall mail a statement for such costs not recovered from the sale of the vehicle to the last-known address of the vehicle owner. The statement shall be payable within 30 calendar days from mailing. If the statement remains unpaid after its specified due date, and if the vehicle owner is an owner of the real property from which the vehicle was removed, the Town Clerk or Town Treasurer shall charge the unpaid costs against said real property as a delinquent special charge as provided by SS 66.0627, Wis. 6.02: DEFINITIONS

As used in this chapter the following terms shall have the meanings indicated:

(1) "At Large" Means to be off the premises of the owner and not under the control of some person either by leash or otherwise, but a dog within an automobile of its owner or in an automobile of any other person with the consent of the dog's owner shall be deemed to be on the owner's premises.

(1) A dog shall not be considered to be running at large if it is on a leash and under control of a person physically able to control it.

(2) Any damage caused by any dog running at large shall be the responsibility of the owner of said dog, along with any court costs or costs of prosecution. The provisions of SS174.02, Wis. Stats., relating to the owner's liability for damage caused by dogs, together with the penalties therein set forth, are hereby adopted and incorporated herein by reference.

6.05: BARKING DOGS.

CHAPTER 7- SEXUAL OFFENDER RESIDENCY RESTRICTIONS

7.01: FINDINGS AND INTENT.

(1) Repeat sexual offenders, sexual offenders who use physical violence, and sexual offenders who prey on children are sexual predators who present an extreme threat to the public safety. Sexual offenders are extremely likely to use physical violence and to repeat their offenses; and most sexual offenders commit many offenses, having many more victims that are ever reported, and are prosecuted for only a fraction of their crimes. This makes the cost of sexual offender victimization to society at large, while incalculable, clearly exorbitant.

(2) It is the intent of this ordinance not to impose a criminal penalty but rather to serve the Town's compelling interest to promote, protect, and improve the health, safety, and welfare of the citizens of the Town by creating areas around locations where children regularly congregate in concentrated numbers wherein certain sexual offenders and sexual predators are prohibited from establishing temporary or permanent residence.

7.02: DEFINITIONS.

The following words, terms and phrases, when used in this ordinance, shall have the meanings ascribed to them in this section, except when the context clearly indicates a different meaning:

(1) "Child" means a person under the age of 16 for purposes of this ordinance.

(2) "Designated Offender" means any person who is required to register under Wis. Stat. 301.45 for any sexual offense against a child or any person who is required to register under Wis. Stat. 301.45 and who has been designated a Special Bulletin Notification (SBN) sex offender pursuant to Wis. Stat. 301.46(2) and (2m).

(3) "Minor" means a person under the age of 17.

(4) "Permanent Residence" means a place where the person abides, lodges, or resides for 14 or more days.

(5) "Temporary Residence" means a place where the person abides, lodges, or resides for a period of 14 days or more days in the aggregate during any calendar year and which is not the person's permanent address or a place where the person routinely abides, lodges, or resides for a period of four or more consecutive or non-consecutive days in any month and which is not the person's permanent residence.

7.03: SEXUAL OFFENDER AND SEXUAL PREDATOR RESIDENCE, PROHIBITION; PENALTIES; EXCEPTIONS.

(1) "Prohibited Location of Residence". It is unlawful for any designated offender to establish a permanent residence or temporary residence within 2,000 feet of any school, licensed day care center, park, trail, playground, place of worship, or any other place designated by the Town as a place where children are known to congregate.

(2) “Prohibited Activity”. It is unlawful for any designated offender to participate in a holiday event involving children under 18 years of age, such as distributing candy or other items to children on Halloween, wearing a Santa Claus costume on or preceding Christmas or wearing an Easter Bunny Costume on or preceding Easter. Holiday events in which the offender is the parent or guardian of the children involved, and no non-familial children are present, are exempt from this paragraph. Participation is to be defined as actively taking part in the event.

(3) “Measurement of Distance”

(1) For purpose of determining the minimum distance separation, the requirement shall be measured by following a straight line from the outer property line of the permanent residence or temporary residence to nearest outer property line of a school, licensed day care center, park, trail, playground, place of worship, or any other place designated by the Town where children are known to congregate.

(2) The Town Clerk shall maintain an official map showing prohibited locations as defined by this ordinance. The Clerk shall update the map at least annually to reflect any changes in the location of prohibited zones. These shall be designated on the map as child safe zones.

(3) “Penalties”. A person who violates this section shall be punished by a forfeiture not exceeding \$500.00. Each day a person maintains a residence in violation of this ordinance constitutes a separate violation. The Town may also seek equitable relief.

(4) “Exceptions”. A designated offender residing within a prohibited area as described in Section (2) (1) does not commit a violation of this section if any of the following apply:

(1) The person established the permanent residence and reported and registered the residence pursuant to Wis. Stat. 301.45 before the effective date of this ordinance.

(2) The person is a minor and is not required to register under Wis. Stat. 301.45 or 301.46.

(3) The school, licensed day care, park, trail, playground, place of worship, or any other place designated by the Town as a place where children are known to congregate within 2,000 feet of the persons permanent residence was opened after the person established the permanent residence or temporary residence and reported and registered the residence pursuant to Wis. Stat. 301.45.

(4) The residence is also the primary residence of the person’s parents, grandparents, siblings, spouse, or children provided that such parent, grandparent, sibling, spouse or child established the residence at least two years before the designated offender established residence at the location.

7.04: PROPERTY OWNERS PROHIBITED FROM RENTING REAL PROPERTY TO CERTAIN SEXUAL OFFENDERS AND SEXUAL PREDATORS; PENALTIES.

(1) It is unlawful to let or rent any place, structure, or part thereof, trailer or other conveyance, with the knowledge that it will be used as a permanent residence or temporary residence by any person prohibited from establishing such permanent residence or temporary residence pursuant to this ordinance, if such place, structure, or part thereof, trailer or other conveyance, is located within a prohibited location zone described in section (3) (1).

(2) A property owner's failure to comply with provision of this section shall constitute a violation of this section, and shall subject the property owner to the code enforcement provisions in Section (3) (4) as provided in this ordinance.

7.05: APPEAL.

(1) "Process". The above requirements may be waived upon approval of the Town Board through appeal by the affected party. Such appeal shall be made to the Town Clerk's Office, who shall forward the request to the Town Board. The Board shall convene and consider the public interest as well as the affected party's presentation and concerns. After deliberation, the Board shall forward its decision in writing and a written copy of the decision shall be provided to the affected party.

7.06: SEVERABILITY.

(1) The provisions of this ordinance shall be deemed severable and it is expressly declared that the Town Board would have passed the other provisions of this ordinance irrespective of whether or not one or more provisions may be declared invalid. If any provision of this ordinance or application to any person or circumstance is held invalid, the remainder of the ordinance or the application of such other provisions to other persons or circumstances shall not be affected.
