

This is a full day of clinics, rehearsals, sectionals and an evening concert.

The Mass Band

- Includes three rehearsal sessions with time for sectionals.
- In only a few short rehearsals and sectionals, your student will be amazed at the progress they can make!
- A chance for young musicians to rub elbows with leading musicians in the area and with like-minded children.
- Some of our bands are very small. What a great opportunity to hear and feel what it is like to play with a full band/orchestra!
- You will receive the music for the mass band rehearsal and a finalized schedule of events by February 13.

The Evening Concert

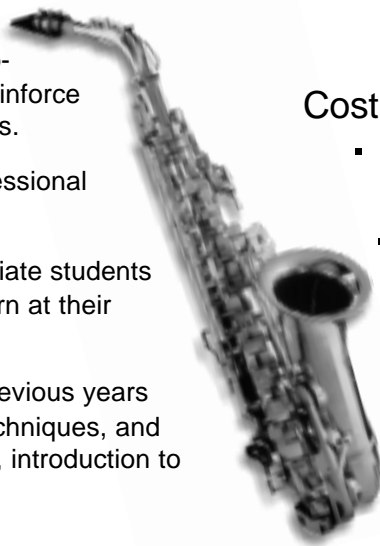

- Each participating band/orchestra will have the opportunity to perform 2 pieces.
- Directors are encouraged to choose pieces outside of band method books.
- The chief end of man is to glorify God and to enjoy Him forever. What better way to do this than to use our bodies, minds, and talents in creating beautiful music in the name of Jesus Christ?

Requirements

- All young musicians that play a band or orchestral instrument are welcome (sorry, no guitar or piano).
- This day is geared towards beginning, intermediate, and advanced students. However, if your student has just picked up his/her instrument that week, he/she may be lost.

The Clinics

- Each clinic is created to introduce new concepts and to reinforce universal teaching techniques.
- All clinics are taught by professional musicians in the area.
- Your beginning and intermediate students will have opportunities to learn at their level.
- Clinics that were taught in previous years include rhythm, practicing techniques, and breathing, music in the Bible, introduction to jazz, music jeopardy!
