

**STOPGOPABUSE** (Government, Law Enforcement and Police Abuse) is a grassroots foundation focused on Human Rights, equal protection of laws without fear. Environmental protection, finding ways of preserving economic prosperity from disadvantages created by abusive behaviors in government. Creating a wellness component that focuses on the benefits of physical relief under massive stress.

The **STOPGOPABUSE** Foundation, a public nonprofit corporation, is in Boston, Massachusetts

*The Foundation's mission is to provide positive educational and recreational opportunities particularly those who are disadvantaged. Central objectives: 1) to encourage, motivate and provide awareness 2) to help develop the foundational skills needed to become educated 3) to distribute knowledge on the severity of managing individual stress level through physical exercise exertion weather through yoga or running 4) to provide reading instruction for literacy programs.*

*The Foundation will strive to provided academic scholarships, educational incentives, books, special events, field studies and more. These outreach component extended into the following communities: Roxbury, Mattapan, South Boston, Dorchester, Jamaica Plain, and various towns affected by abusive treatment.*

The **STOPGOPABUSE** Foundation 40k for change is an initiative geared toward promoting awareness about severe government abuse. As a certified Physical Therapist and an active participant fighting I have first hand knowledge of what overwhelm stress does to the emotional, physical and mental body. The **STOPGOPABUSE** outreach will provide over thousands of supports with knowledge on how creating partnership alliance with community based business empowers positive change. Through their relationship with Gifts in Kind, **STOPGOPABUSE** will educate communities,
