What do we do?

Organise a FOOD/SOCIAL GROUP coming together to enjoy each other's company, whatever our dietary preferences: veggies, vegans and meat eaters, raw fooders, and people of no particular dietary beliefs or habits.

Promote EDUCATION on all aspects of food, covering nutrition, and all radical dietary theories, as long as they are independent of state and commercial interests.

Promote and develop ORGANIC FOODS in our meals, depending on availability.

Work towards the goal of a more progressive and RADICAL AGENDA on food, and to stimulate the debate on food.
