2007 Champs
Larry Bruder & Jodie Turner

Jodie Turner & Larry Bruder picked up their fourth WFWF title (2001, 2003, 2006, 2007) and became the first team to win back-to-back championships. The champs faced a re-match of last years other finalist in **Cory & LaDonna Turner** (a.k.a. "**Double Trouble**"). Alas, the cards were once again with the Sand Baggers as they jumped out to a big lead and never looked back.

IKN (**Brian & Karen Nelson**) & the **Fire Crackers** (**Tim Rutter & Jo Stone**) each reached the semi's for the first time. Both teams had excellent mojo all night.

IKN dropped a very exciting semi-match to the Sand Baggers when a Jodie covered a timely LB nil.

The Fire Crackers ran roughshod over their round robin opponents to capture the #1 seed but Double Trouble proved too much in their grueling semi-final.
