2008 WFWF Spades Tournament

Super appearance by Superman (and Lois Lane too!)

Finals:

#3	Great Justini / Annie Lou	183
#4	Superman & Lois Lane	504

Semi's:

#1	WWP	421
#4	Superman & Lois Lane	506
#2	M&M	64
#3	Great Justini / Annie Lou	609

The New Champs

Marianne Donnelly & Jim Reynolds

Gerald couldn't make it so Superman stepped up and history was made as **Marianne Donnelly & Jim Reynolds** took home the trophies. The #4 seed, who made the finals on the 4th tie-breaker with IKN, then outlasted the always formidable duo of Ray & Vonnie to advance to the finals.

The other semi-final pitted Justin & Ann vs. Bill & Marlena. The Great Justini made all the right reads while Annie Lou made all the right reads to advance onward.

At this point it was obvious that all that those Wednesday lunches were going to pay off, but for whom? Well Marianne/Jim got the steam going early on rolled on to their first title. (Steam, rolled, get it?) Congrats champs!

Other Items of note:

- We had our biggest field ever. 12 teams!
- Shout out to Jo Stone who came up with some Texas Playing cards to make the grand prize that much better.
- Shout out as most teams had matching uniforms. Check out those pix.
- Thanks to all that brought food. We're putting this event at the +1.5 lb mark in the future.

Until next year.....
