

Announcements:

- **Test #6** will take place on Thursday, April 24.
It will cover 7.1, 7.2, 7.3, 8.1, 8.2.
A “cheat sheet”, $4\frac{1}{4}\text{in} \times 5\frac{1}{2}\text{in}$ in size (i.e. $\frac{1}{4}$ the standard letter size) and double-sided, is allowed. Print your name on it and turn it in along with the test sheet.
 - There will be another test, to take place the week before the final exam week. Exact day and time will be announced as it draws near.
 - Tentatively there will be no class meeting on Thursday, May 15 (i.e. the Thursday the week before the final exam) as I will be undergoing another medical procedure.
 - Final exam will be mandatory. It will be open book, open notes, and comprehensive in coverage, though problems will tend to be easier.
