- Write down any questions you still have
- Preliminary reading and questions on the set text for the following week.

Why this course?

Every Christian needs good *biblical foundations* for their lives.

ALL New Testament doctrines, even the very reasons for why Jesus came to earth, are based upon the revelation of God as found in Genesis. If you do not have a fundamental grasp of biblical history, especially as found in the first 12 chapters of Genesis, then you are ill-equipped for effective evangelism and Christian living today.

God wants each Christian to become a mature believer and be able to reproduce themselves into others. God wants YOU to be living an abundant Christian life in accordance with His word. God wants YOU to be able to tell the Gospel of Jesus Christ to others, help them to become born-again, and then help them to grow in their faith.

The **Foundations Course** will:

1. Give you a thorough **overview** of the foundations of your faith.
2. Show you how all these **relate to Jesus** and New Testament doctrines.
3. Teach you how to **study the Bible effectively** for yourself and in a group.
4. Prepare you to be able to **pass on what you know** to other new believers and also unbelievers.
5. Provide you with **reference material** on foundational biblical doctrines.

Pre-requisites for doing this course: Nil.

Cost: Nil. Lunch is BYO (Bring Your Own)

This course will be taught in English.

At the end of the course, there will be a **test**. It is an [open book test](#), and you are to send the questions in by post at your convenience. If you receive higher than 70% AND have not missed more than 4 lessons, you will receive a **certificate of achievement**. (If you miss a week, lesson notes will be posted to you [up to 4 weeks]).
