

Town of Inlet  
Clean Waters Committee  
February 22, 2005

A regular meeting of the Clean Waters Committee was held on Tuesday, February 22, 2005 in the meeting room of the Inlet Town Hall at 7:30 PM.

Present:  
John Frey  
Dayt Cleaveland  
Paul Chambers  
Ron Ste. Marie  
Bill Faro  
Dan Knuth  
Donna Knuth

John Frey stated that there is a letter from Tom Prevost that states that because of health reason he will no longer be able to chair the Clean Waters Committee. He asked if anyone present wished to fill that seat. No one came forward.

The group discussed the grant money. John explained that this money needs to be administered through the Town Board and that the Town Board has decided that it would in the best interest to perform testing for both water and wastewater because at this time there is no definite proposal for either. This will leave the doors open for any future decisions. He also explained that the Town Board had gotten together with the Clean Waters Committee to discuss the distribution of the grant money and that all members agreed with what was to be done. He pointed out that the community has asked for more testing and that this is what is going to be done. He explained that the Town will be looking to hire students to help with the testing and that the engineers will help coordinate this.

The group discussed the idea of this committee working through the Planning Board. It was suggested that at least one more member of the Planning Board should become more involved with this committee. Dayt will bring this idea to the Planning Board at their next meeting. John stated that he does not want to chair the committee alone, but definitely wants to stay involved.

It was pointed out that funding for wastewater projects is becoming smaller and smaller.

Dan Knuth stated that he would like to continue to be involved in this committee, and will try to encourage others to attend meetings. The more people to sound off ideas on, the better.

The next regular meeting is scheduled for Tuesday, March 29, 2005 at 11:30 AM in the Meeting Room of the Inlet Town Hall.

The meeting adjourned at 8:05 PM.

Respectively yours,

Adele M. Burnett
