

Town of Inlet  
Clean Waters Committee  
April 26, 2005

A regular meeting of the Clean Waters Committee was held on Tuesday, April 26, 2005 in the meeting room of the Inlet Town Hall at 6:30 PM.

Present:

Dayt Cleaveland, Co-chair  
Paul Chambers, Committee Member  
Mick Lehman, Bernier, Carr and Associate  
Matt Cooper, Bernier, Carr and Associate  
Ron SteMarie  
Dana Knuth  
Adele Burnett, Administrative Assistant

The group briefly discussed the surveys that had been sent out. Adele reported that she had received an email from Amy stating that they had received back 10 surveys already, and have had a few phone calls with questions about the surveys.

It was noted that the Town had yet to hire interns to do the water/sewer sampling and data collecting. Mick Lehman stated that he has resumes that he will share with JR.

Adele reported that per JR, Susan Kennedy would have lab space for the testing.

There was a question about test wells, and Dayt reminded the group that yes, there is money set aside from the grant to be used for drilling, but that no drilling would be done before the survey and testing was complete. At that time the Town will be asking for specs from interested companies before starting.

The next regular meeting is scheduled for Tuesday, May 24, 2005 at 6:30 PM in the Meeting Room of the Inlet Town Hall.

With nothing else to discuss, the meeting adjourned at 7:30 PM.

Respectively submitted,

Adele M. Burnett
