 Able to work under high-pressured environment
 Able to learn new technologies and knowledge
 Strong communication/public speaking skills – Bahasa Melayu and English (moderate)

PERSONAL PARTICULARS

Age	: 24 Years 8 months	Date of Birth	: 3 November 1979
Nationality	: Malaysian	Gender	: Male
Marital Status	: Single	Permanent	: Malaysia
Permanent Address	: P.66 Kg Ulu Jempol, 26400 Bandar Jengka, Pahang	Residence	

EDUCATIONAL BACKGROUND*Highest Education*

Level	: Bachelor's Degree	Grade	: Second Class Upper
Field of Study	: Computer Science	Name of Inst.	: Universiti Teknologi Malaysia
Major	: Software Engineering	Graduation	: August 2005
Present CPA	: 3.36		

Second Highest Education

Level	: Sijil Pelajaran Malaysia	Grade	: 1 24 Agregate
Field of Study	: Science Stream	Name of Inst.	: Sek. Men. Jengka 2
Major	: -	Graduation	: December 1996

EXPERIENCES

ICT Unit, Pejabat Harta Bina – Universiti Teknologi Malaysia

January 2003 – March 2004

Position: Working Student Scheme ICT Unit

Responsibilities

- Developing Contractor Information System, Contractor Prestige System and Online System
- Developing, maintaining and improving University Asset Management System
- Improving and maintaining “Bahagian Harta” Contractor Coordinating System
- Improving and data inserting to Pejabat Harta Bina web site
- Developing “Bahagian Harta” Work Coordinating System
- Developing Task Force Management Online System
- Developing “Bahagian Pembinaan” Project Coordinating System
- Assisting staff in maintaining the computer at Pejabat Harta Bina
- Assisting staff in developed software installation

Skill Gains

- Improved communication skills between all levels of employees
- Gain knowledge from other discipline on how to develop a system
- Attain knowledge on ISO certification while helping Pejabat Harta Bina staff to get ISO 9001:2000.

Treasury Unit, JUSCO Taman University, Skudai, Johor Darul Takzim
June 2002 – December 2002
Position: Trainee Cashier
