

**PONY CLUB AND INDEPENDENT INSTRUCTOR LIST  
INTERMOUNTAIN REGION**

**Pony Club Istructors**

*These people show a strong connection to Pony club and teach using the USPC Standards system.  
Some are graduates of the program, some are upper rated current members attending college,  
others identify the goals and functions of Pony Club and embrace it fully.*

**Independent Instructors**

*These are trainers and teachers that run barns in the area. They are open to group or private lessons in their dicipline,  
but do not use the USPC standards as teaching tools. They have supported Pony Club through use of their facilities.  
Eventhough these instructors may not fully embrace the idea of Pony Club, they don't discourage paticipation in the club.*
