### Speaker's Bio:

**Shawn Wooten** is an encouraging brother with a warm and compassionate heart. For many years he has served as the international program director for Hope World Wide. He now oversees the missionary work in our churches across Eastern Europe, Western Europe and the former Soviet Union. He lives in Kiev, Ukraine with his wife, Lyna, and their two children. Over the past three years Shawn has visited over 100 of the churches in our fellowship. He will be a blessing to our church in New York.

**Andy Fleming** is a dynamic brother who has provided valuable leadership to our churches over the past two decades. He currently oversees all of our mission work across the Middle East. Andy and his wife, Tamy, planted churches in Stockholm, Sweden and Moscow, Russia. Andy is a great student of Gods word and has shared his love and knowledge of the word with brothers and sisters around the world. We are thankful that Andy will bless our church during his time in New York.

**Blaise Feumba** is a powerful brother who knows what it means to live on the front lines of the mission field in Africa. Blaise leads the church in Abijan, Ivory Coast. Abijan currently has one of our fasted growing campus ministries. We are looking forward to Blaise sharing with us some of the principles they are using to be effective on campus. Blaise also oversees all of our mission work in French speaking Africa. Blaise is a dynamic preacher and we know that his preaching will move our hearts.

**Angel Martinez** is one of our own. He was baptized in New York City. Angel went back to his homeland, the Dominican Republic to plant the church in Santo Domingo. He and his wife, Luz, lead the warm and loving fellowship in that city. Angel also helps provide leadership for churches across the Caribbean. When it comes to preaching Gods word, Angel is a powerful preacher. We are blessed that he will be sharing with us in New York.
