2. Eve Doulton: health has begun to deteriorate again. Pray that God would strengthen her and lessen the increased fatigue that comes with added activities.
3. John Spiciarich: sister Paula, to recover quickly from recent back surgery.
4. Please continue to pray for Marie Paul, financially things have gone from bad to worse and the person who promised to help has not come through as of yet. She has done everything that was asked of her yet things aren't going in the right direction.
5. Renee Howe's mom has colon cancer. Prayers are needed for the strength with the family in taking the steps as the care giver to make the right choices for her mom.
