

# IVERY PARK

Ivery Park Stud offers "a stallion for every need" for the 2008 breeding season. There are three sires altogether and all have something different to add to your bloodline pot. Ivery Park is situated at Narellan, south west of Sydney, approx 15 minutes from the Hume Highway and offers the best care and handling of your mares. The facilities are professional and very safe. They consist of post and rail yards and all fences including paddocks are electrified.

All stallions have that stand out look and movement to give that first and everlasting impression giving them that edge over the others. The stud's aim is to continue to supply a full range of qualities that you as a mare owner are looking for. All mares are hand served and chilled semen is available.

**HEZA Bruce** has competitive achievements too numerous to mention. His unflappable temperament has seen him entertaining the crowds on TV and main arenas around Australia since he was three years of age. He is a grandson of the legendary impact sire, Cecil Bruce, with bloodlines of famous foundation mares and foundation sires with Bobbie Bruce, Radium, Dimray, Bruce and Cecil.

He won the RMWilliams Trophy Saddle at the 2006 Sydney Royal for the most versatile ASH of which his son Heza Star was 2nd. He has been on the Kerry Ann Kennally Show, where she rode him bareback in the car park and also on Australian Idol at the Opera House, where he was ridden with flaming torches. Heza Bruce was one of the main arena stars in the Man from Snowy River, Outback Thunder in Brisbane and Melbourne and stockmen ride s in Sydney and Canberra at the Royal Shows.

**HEZA Star** son of Heza Bruce and registered with ASH & ANSA. He is out of a Rosebrook Cedarwood mare with the same bloodlines as Heza Bruce, plus Chan and a double up of Radium and Cecil. He was the ASH National Futurity Silver Plate winner in 2006; Supreme ASH Brisbane Royal 2006, 2007; Royal Winner ANSA Led and ridden; ASH Nationals 2007 Champion Led and ridden 4 year old; High Point Horse of the show at branch, State and National ASH Shows as a 4 year old and Sydney Royal 2008 ASH ridden winner and 3rd RMW High Point Award.

With his looks and movement he is not only suited to breed ASH, but suited for ponies Galloways and hacks. His progeny are now yearlings and Ivery Park is looking forward to their success in the showring. He is also following in his father's footsteps with his versatility and presence.

**TIME TO Celebrate** is the last stallion by the supreme winning sire Truly Time (Lunchtime GB). He stands 16hh and is Thoroughbred, ANSA and ASH registered. His most recent wins are Champion ANSA Stallion at the Brisbane Royal 2007, and Champion Junior ANSA Exhibit at the Sydney Royal 2008. Now Broken in and preparing for his career under saddle.

He just floats across the ground and commands your attention whether you want to breed ASH T/bred Anglos Galloways or hacks, he is your man. Standing to a limited amount of mares for his first season, so book early. ■
