

## Hydrogen Energy

1. How it works?

2. Complete the following chart

Identify any limitations (problems)	Identify any benefits

## Tidal Energy

### Hydrogen Energy

1. How it works?

2. Complete the following chart

Identify any limitations (problems)	Identify any benefits

## Biomass Energy

1. How it works?

2. Complete the following chart

Identify any limitations (problems)	Identify any benefits

## Geothermal Energy

1. How it works?

2. Complete the following chart

Identify any limitations (problems)	Identify any benefits

## Solar Energy

1. How it works?

2. Complete the following chart

Identify any limitations (problems)	Identify any benefits

## Wind Energy

1. How it works?

2. Complete the following chart

Identify any limitations (problems)	Identify any benefits
