

# Radagast the Brown

...It was Radagast the Brown, who at one time dwelt at Rhosgobel, near the borders of Mirkwood. He is one of my order, but I had not seen him for many a year.  
"Gandalf!" he cried. "I was seeking you. But I am a stranger in these parts. All I knew was that you might be found in a wild region with the uncouth name of Shire."...

... It would have been useless in any case to try and win over the honest Radagast to treachery...

Saruman has a low opinion of Radagast  
...Radagast the Bird-tamer! Radagast the Simple!  
Radagast the Fool! Yet he had just the wit to play  
the part that I set him. For you have come, and that  
was all the purpose of my message...
