

Mithrellas

Mithrellas was a Silvan Elf, a companion of Nimrod who fled Lórien with her. She was taken in by Imrazôr the Númenórean and bore him a son, Galador, and a daughter, Gilimith. Soon after she slipped away in the night, never to be seen again. She is therefore a legendary ancestor of the Princes of Dol Amroth including, Imrahil the Prince at the time of 'Lord of the Rings'.
