

Ossë

A Maia, the vassal of Ulmo, whose province was the coastal waters around Middle-earth. Uinen was his spouse, and he had the friendship of Círdan the Shipwright.

Ossë was tempted away from Ulmo for a time by Melkor, and at that time he used his power over the sea to create chaos. Ultimately his spouse

Uinen brought him back to Ulmo's service but he still liked to create disquiet on the seas that only Uinen could passify
