

SPECIAL EVENT RULES:

These rules are changes made for this event and only this event

- * *Hobby Street and Hobby Pro cars* will be governed by the CSBRA rules.

NOTE WEIGHT RULE CHANGE

- ** Maximum weight for both STREET and PRO will remain at 250 lbs. Cars will run unbalanced with a max tail weight of 20 lbs.

This means that the rear of cars in this class may only weight 20lbs heavier when compared to the front weight

- *** The **NO METAL** body rule will be enforced.

SENIOR DIVISION

Both Scottie and Stick built senior cars will race in this division: *please note equalization rules.*

- * **FOILS....** both cars types will be allowed to run **FULL FOILS**
- ** Both car types will run the same weight with the allowable tail weight as per NDR rules.

NDR rules will be used in STOCK, SUPER STOCK and SENIOR (*with exception of the above equalization rule for SENIOR*)

PIT RULES

- All racers pits must be kept neat and clean.
- use of easy-ups and other shelters will be allowed
- all lubrication and repairs must be done in the pits stalls
- pit stall assignment will be done on a first come first serve basis
- Trailers may remain in pit areas, but all other vehicles must be parked in other locations.
- As public access to the pit area is allowed, all racers will be responsible for the security of their own property. (*PIT AREA SUPERVISION WILL BE PROVIDED*)
- BE SAFE AND RESPECTFUL OF OTHERS PARTICIPATION
