

# Bruce Woodbury Beltway

Entire initial facilities complete and open

- Legend**
- Current full or partial freeway facilities
  - Four-lane Initial facilities (all initial facilities will be upgraded at a later date.)
  - Frontage road network
  - Interchanges
  - Timeline for alternate build-out

**Special Note:** The beltway's ultimate facilities between Stephanie Street and I-515 are being constructed by NDOT.

This map is not a planning document. It is intended for informational purposes only and is not drawn to scale. City boundaries are also not drawn to scale. (Revised January 2005)

**Property Address**

**Name of Seller(s)**

BUYER(S) acknowledges that the BRUCE WOODBURY BELTWAY is being and will be constructed at some time in the future in the general vicinity of the subject Property. BUYER(S) further acknowledges that there is uncertainty as to exactly when the BELTWAY will be completed and BUYER(S) assumes the full responsibility to investigate the state of the BELTWAY, the location of the BELTWAY and time of construction and to satisfy himself/herselves as to the condition of the Property relative to the BELTWAY. BUYER(S) releases SELLER, SELLER(S) AGENT and BUYER(S) AGENT from any and all claims relative to, including but not limited to, the construction, location, completion dates and/or effect of the BELTWAY on the subject Property. THIS MAP IS FOR INFORMATIONAL PURPOSES ONLY. GREATER LAS VEGAS ASSOCIATION OF REALTORS® TAKES NO RESPONSIBILITY FOR ITS CONTENT OR ACCURACY. For more information about this and other road projects, contact the Clark County Public Works Department at (702) 455-6000 or (702) 455-6050 or online at [www.co.clark.nv.us/pubworks](http://www.co.clark.nv.us/pubworks).
