

The Principal.

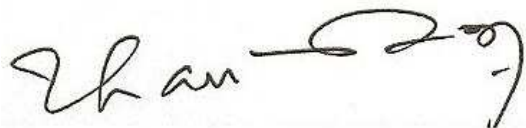

Sub: Application for teaching position in IBDP or AS/A2 Cambridge/Edexcel Chemistry.

Sir/Ma'am,

This is with the reference to your advertisement in the Internet for the above post. I, Jaydip Chaudhuri, a master degree holder in physical chemistry and computer science, have been teaching chemistry (for Edexcel A-level, Cambridge O-level, and Indian school certificate, ISC) and computer science for various Indian public schools and schools abroad (Maldives) for the last 14 years. I am enclosing a CV of mine for your perusal. I am presently working as Assistant teacher, A3 at Sarala Birla Academy, Bangalore, India, which is an IB world, fully residential public school with teaching affiliation from CIE (Cambridge) and ISC council.

As a teacher, I have been using computer as a part of my teaching. I am very much comfortable with computer and related technology, and have used smart board, multimedia projectors, high precision 'Meade 200', GPS guided computer aided telescope and successfully implemented win-school (a copyrighted software for broadcasting for teaching and learning) and used it for teaching chemistry and computer in past and in recent years. It will be a great honour for me if you find me appropriate to serve the community and join the teaching team there to learn and to share various aspects of life and imparting education.

Thanking you,
Yours sincerely,

Jaydip Chaudhuri

Objective:

On principle I am a firm believer of an old Ethiopian proverb 'He who learns, teaches'. My objective is to work with an organization where teaching and learning both are fun and never become a boring. My aim is to encourage young minds to develop in both academic and non-academic areas so each student gain a comprehensive education to assist them in every sphere of their life. This will then enable them to progress and achieve to the best of their ability in the future.

Professional Experience:

- At present I am working as assistant teacher, A2, at **Sarala Birla Academy, Bangalore**, which is an IB world, fully residential public school with teaching affiliation from CIE (Cambridge) and ISC council [21st April onwards].
- I have worked as Government teacher, Grade 4, under Ministry of Education, Republic of Maldives, and was posted at **Baa Atoll Education Center**, Baa, Eydhafushi, Republic of Maldives for four academic years (from 17 Jan 2005-21 April 2008) where I was teaching Chemistry at AS and A2 level, following GCE, Edexcel curriculum.
- I have worked as Head of Department and teacher of both Chemistry and Computer Science at **the British International School**, Andhra Pradesh, India, which is a residential school following ICSE and ISC curriculum, from June 2003 to January 2005.
- Between August 1997 and May 1999, I worked at **The Doon School, Dehradun**, as Head of center for information Technology cum teacher, teaching B, A, S and Sc forms.
- Between March 96 and February 97 I have worked with **St. Paul's School, Darjeeling** for one year as Senior faculty Department of computer Science and applications.

Academic Qualification:

- I have completed my Masters-degree (M. Sc) with specialization in Physical Chemistry (1994) and at my graduation (1991), B.Sc. (honours) I have chemistry as my major (honours) subject, along with Physics, and Mathematics from North Bengal University.
- I am fortunate to acquire another Master degree in Computer Science and Application (MCA) that I have completed from Indira Gandhi national Open

University in year 2003 with distinction (68%). Previously I have completed my PGDCA course from Department of computer science, North Bengal University but unfortunately discontinued my further studies (MCA) due to financial reasons to take up a job.

- I have undergone a one year Certificate course on networking and Internet applications using TCP/IP programming in C/C++/Java from CEP-IIT Kharagpur and again feel fortunate to hold the honour to become a certified trainer of CEP-IIT Kgp (grade 'B', 1999).

Publications:

I have written 3 textbooks for grade 7, grade 8 and ICSE (combined grade 9 and 10) that are available for downloading free as PDF ebook free from my educational site [www.geocities.com/icsechemistryteachers]. Beside that I serve the teaching and students fraternity through a chain of free-sites that are loaded with worksheets, notes, alternative method of teaching, scheme of work etc.

Referee:

1. **Mrs. Hilary P Laidler**, (Ex Principal, British International school; Principal, Allbrook School, Eastleigh, UK) 15 St Thomas Court, Stubbington Way, Fair Oak, Eastleigh, Hampshire. SO50 7NE. UK. Phone: 0044-2380602809 Email: hilary.laidler@tiscali.co.uk
2. **Dr. Mrs Jaishree Sharma** (formerly professor, dept of chemistry, RIE, Mysore) NCERT, New Delhi, Email: jaishreesharma1@gmail.com or jaishree_sharma1@rediffmail.com

Personal Details:

Date of Birth:	26th February 1970.
Present Salary:	Rs. 23000 + standard Perks of Public School
Expected Salary:	Rs. 30,000 + Standard Perks
Passport Detail:	A9678929 valid till 11 th June 2011.
Hobbies:	I love high-altitude Trekking. Besides I love Cartooning, making Pottery, wood curving and listening to Indian classical music is One of my favourite activities
