Queens Weave

Strength Rating: 4

Heroes Maille Available? No

Popularity Rating: 3.5

Products Available:

Anklet/bracelet: \$28.00

Key chain: \$3.50

Earring set: \$7.00

Necklace: \$56.00

Hip Chain: \$56.00

Description: The rings in this piece of Chainmaille coalesce to form little boxes in a line that are not subject to twisting. The weave is strong, very flexible, and has a feeling of substance. A light gauge metal gives an open lightness to the piece, whereas a heavier gauge metal gives a more dense finished product.

Metals available in this weave:

- Anodized or Bright Aluminum (Various Colors)
- Stainless or Galvanized Steel

Byzantine Weave

Strength Rating: 2

Heroes Maille Available? No

Popularity Rating: Unknown

Products Available:

Anklet/bracelet: \$14.00

Key chain: \$2.50

Earring set: \$5.00

Necklace: \$28.00

Hip Chain: \$28.00

Description: Similar to Queens Weave, but much lighter, the difference being that the boxes are set by themselves. A rather delicate weave, well suited to a ladies necklace or charm bracelet.

Metals available in this weave:

- Anodized or Bright Aluminum (Various Colors)
- Stainless or Galvanized Steel

European Weave

Strength Rating: 3.5

Heroes Maille Available? Yes

Popularity Rating: 5

Products Available:

6-Row Anklet/bracelet: \$14.00

Key chain: \$3.50

4-Row Belt: \$3.50 per inch

4-Row Choker: \$28.00

Earring set: \$7.00

Hip Chain: \$42.00

Description: The most popular and most sought after weave that we have. As a decorative piece, it is moderately priced, and very attractive. It is one of the strongest weaves we have, too.

Metals available in this weave:

- Anodized or Bright Aluminum (Various Colors)
- Stainless or Galvanized Steel

Flower Weave

Strength Rating: 2.5

Heroes Maille Available? No

Popularity Rating: 2

Products Available:

Anklet/bracelet: \$14.00

Key chain: \$3.50

Earring set: \$7.00

Necklace: \$28.00

Hip Chain: \$28.00

Description: The rings form what appear to be flowers in a row, and can be done in two metals to enhance that illusion. It is moderate in strength, and classy in appearance. It is affordably priced as well.

Metals available in this weave:

- Anodized or Bright Aluminum (Various Colors)
- Stainless or Galvanized Steel

Strength Rating: 5

Heroes Maille Available? No

Popularity Rating: Unknown

Products Available:

Anklet/bracelet: \$56.00

Key chain: \$21.00

Earring set: \$42.00

Necklace: \$112.00

Hip Chain: \$126.00

Description: The strongest, hardest to make and thus most expensive weave is the Foxtail. It is, however, the most spectacular weave we make when done in contrasting metals. We have not yet received much feedback from people about this particular weave, since few are able to afford it, so the popularity is still unknown.

Metals available in this weave:

- Anodized or Bright Aluminum (Various Colors)
- Stainless or Galvanized Steel

Strength Rating: 3.5

Heroes Maille Available? No

Popularity Rating: Unknown

Products Available:

Anklet/bracelet: \$21.00

Key chain: \$7.00

Earring set: \$14.00

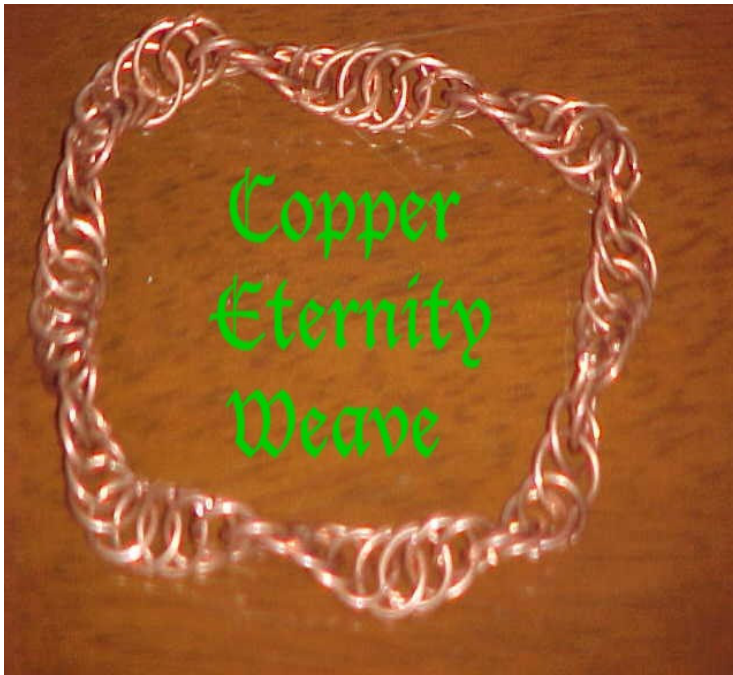

Necklace: \$42.00

Hip Chain: \$28.00

Description: Same weave as the Box/Queens Weave, with the only difference being that the weave is segmented into chunks. The weave loses a little strength with the segmenting, but gains a certain uniqueness.

Metals available in this weave:

- Anodized or Bright Aluminum (Various Colors)
- Stainless or Galvanized Steel

Eternity Weave

Strength Rating: 1.5

Heroes Maille Available: No

Popularity Rating: 4

Products Available:

Anklet/bracelet: \$10.00

Key chain: \$3.50

Earring set: \$7.00

Necklace: \$20.00

Finger Ring: \$5.00

Hip Chain: \$56.00

Description: The rings form a twisting, snakelike weave that can be joined so that the seam cannot be seen, hence the name eternity. A particularly romantic weave in its symbolism, which makes it a sentimental gift of love.

Metals available in this weave:

- Anodized or Bright Aluminum (Various Colors)
- Stainless or Galvanized Steel

Strength Rating: 5

Heroes Maille Available: No

Popularity Rating: 5

Products Available:

Key chain: \$10.00

Earring set: \$20.00

Pendant: \$10.00

Charm: \$10.00

Celtic Star

Description: Each unit in this weave is particularly tough to make, thus the price. The stars can be done in 2-tone or solid color, as desired. The stars make spectacular earrings or key chains. Charms and Pendants are also nice.

Metals available in this weave:

- Anodized or Bright Aluminum (Various Colors)
- Galvanized Steel
