

## ***Winner of the People's Choice Award at the National Jensen Rally, 1992***

This lovely Jensen Interceptor Mk1 (115/3493) won the coveted People's Choice Award at the National Jensen Rally in Adelaide, 1992.

Recently restored and looking very polished, the car won the hearts of everyone gathered. This South Australian Jensen, perhaps appropriately, sported the registration number of 'JNSN 01'.

This car has since been sold by the owners and now resides in the state of Victoria.
