

*Winner of the People's Choice Award
at the National Jensen Rally, 1996*

Winner of the People's Choice Award at the National Jensen Rally in Victoria, 1996.

This rare and beautiful Jensen Convertible Mk3 (2341/1183) was the subject of a loving restoration by the owner at the time.

From the state of Victoria, this very Dark Blue car (it is not Black) was tastefully finished with chrome wire wheels, a wood-rimmed steering wheel and Holley Projection.

One of only 2 Convertibles delivered new to Australia, this lovely machine is now appreciated by a different owner in NSW.
