

# Winner of the People's Choice Award, 1997.

The car pictured above was the clear winner of the 'People's Choice Award' at the National Jensen Rally that was held in the Mount Tambourine region of QLD in 1997.

The car was an immaculate SP (131/4592) and has been lovingly maintained and upgraded by its Victorian owner for some years now.

Driven on a daily basis, this Jensen is a prime example of 1970's quality motoring.
