

PEOPLE'S CHOICE AWARD WINNER
AT THE NATIONAL JENSEN RALLY,
2004.

The winner of the People's Choice Award at the National Jensen Rally held in Hobart, TAS was this magnificently presented Jensen SP (131/4472).

This car had only recently undergone significant restoration and now had a superb engine bay complete with rare original SP carburation.

A Victorian car, this bright red SP is also rare in being only one of two SP's delivered new to Australia when new.
