

Scrappy September Mystery

Day 1

Today's step is all about sewing - and **lots** of it!

You will need for today's step:

All your green and yellow 2 $\frac{1}{2}$ inch squares

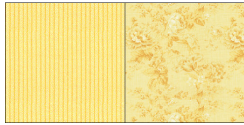

Sewing instructions:

Take 32 yellow and 32 green 2 $\frac{1}{2}$ " squares and set them aside for now.

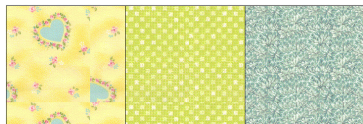

Sew all the remaining green 2 $\frac{1}{2}$ " squares into pairs

Sew all the remaining yellow squares into pairs.

Take 32 of the green pairs and sew a yellow square on the one end of each.

Take 32 of the yellow pairs and sew a green square on the end of each.

That's all for today!

Have fun sewing and see you tomorrow!
