

Scrappy September Mystery

General information, fabric requirements and cutting instructions

- ❖ This is the pattern for a quilt of 60" square but can be easily made larger if you choose
- ❖ The first step will be given on Friday 28th September at about 9 am Central European time (3 am EST) so that means that the girls in NZ and Australia start on their late Friday night / early Saturday morning **and** that the girls in America can start as soon as they wake ;-)
- ❖ All steps will be available online on my website
http://www.geocities.com/jessamy_thompson/Scrappy_September_index.html (page will be linked as soon as it's time) and in the files of the Yahoo group quilt_mystery

Fabric requirements

As this is a scrappy quilt I won't be giving amounts in yardage / FQ's but I will be telling you how much you need per size and colour.

We will be using scraps in 3 colours: I chose green, yellow and white but any 3 colours that go together well and have different values (dark/med/light) or show off each other well (red/white/blue) will be perfect! This is one quilt that is best with lots of different fabrics!

- ❖ Colour 1: green
 - 260 squares of 2 $\frac{1}{2}$ inches
 - 32 squares of 4 $\frac{1}{2}$ inches
- ❖ Colour 2: yellow
 - 160 squares of 2 $\frac{1}{2}$ inches
 - 32 squares of 4 $\frac{1}{2}$ inches
- ❖ Colour 3: White:
 - 32 squares of 2 $\frac{1}{2}$ inches
- ❖ Border A: light yellow:
 - 6 strips of 2 $\frac{1}{2}$ inches - this can be scrappy too (in other words you can choose to use 6 different strips for this border)
- ❖ Border B: med/dark yellow:
 - 7 strips of 2 $\frac{1}{2}$ inches - this can be scrappy too (in other words you can choose to use 7 different strips for this border)
- ❖ Binding: $\frac{1}{2}$ yard - I used green for my design
- ❖ Backing: 3 $\frac{1}{2}$ yards
