

Franklin County Frog Race

Each April in Franklin County, there is a great big carnival. People come from miles around to play games and ride on the Ferris wheel. The biggest attraction of all is the Frog Race. People, young and old, prepare and train their frogs to win the big race. All the frogs line up at the starting line. When the judge yells "Go!" the frogs must hop, leap and jump to the end of the track.

Here is a table to show how many hops each frog took:
