

Ivy Tech State College Richmond/Connersville Philosophy of Education

Ivy Tech State College Richmond/Connersville embraces the philosophy that education enhances the quality of life. We seek to foster a learning environment that:

- ◆ focuses on active student involvement in the learning process.
- ◆ includes career preparation, remediation, access, and transfer.
- ◆ embraces language arts, mathematics, and technology across the curriculum.
- ◆ incorporates critical thinking, problem solving and decision making.
- ◆ respects diversity.
- ◆ accommodates diverse learning styles.
- ◆ encourages pedagogies based on the concept of multiple intelligences, instructional innovation, and resources outside of course texts.
- ◆ facilitates transferable communication, teamwork, and technical skills.
- ◆ promotes community economic development.
- ◆ encourages life-long learning.
