Dear Dr. Zhong Jing,

On behalf of The 4th World Multi-conference on Systemics, Cybernetics and Informatics (SCI 2000) and The 6th International conference on Information Systems, Analysis and Synthesis (ISAS 2000) Organizing Committees, I would like to congratulate you for the paper you presented at the mentioned joint event.

The Organizing Committee of SCI, ISAS, and I, want to congratulate you for the paper you have submitted to the conference.

Your paper titled **Glasses Extraction using Bayes Rules and Deformable Contour**, has been selected as the best paper presented in the session Mathematical Methods and Optimization in Problem Solving Systems I.

The quality of the paper you submitted in the session, gave to the conference prestige and great success. Quality papers like yours are highly appreciated, necessary condition for the success of our conferences.

Thank you for your participation.

Best regards,

Professor Nagib Callaos

SCI 2000/ISAS 2000 General Chair
