

On behalf of Randolph Township's Parade Committee, I want to thank you for agreeing to participate in Randolph's 2006 Freedom Festival Parade. **The lineup begins at 11:00am on Saturday, July 1, 2006. The kickoff is at 12:00 Noon sharp.**

Your number in the lineup is 26. There will be Parade Marshals to help direct you to your position. Enclosed is a Line of March map highlighting your position. Here's some additional information:

- **Parade participants need to be dropped off at their designated lineup positions.** Drivers for the group should then proceed to Parking Lot #1 at the County College of Morris for parking and return to the lineup position using the Shuttle Bus Service. The Shuttle Bus Service will run from Parking Lot #1 to the lineup area. The Parade concludes at Parking Lot #1. (See enclosed map of CCM campus.) **In short, the Shuttle Bus Service is for drivers of groups, not to transport entire groups. The Shuttle Bus Service cannot transport entire groups to the lineup area. We don't have enough shuttle buses to transport entire groups.**
- **Parade participants with vehicles, floats, trailers and flatbeds should arrive early to ensure convenient access to their assigned positions.**
- If your lineup position is on Concord, Harmony or Peace Roads, we recommend you travel to your position by turning into Dogwood Trail from Randolph Avenue. Follow Dogwood to Ridge Road, make a right turn on Ridge which will lead you to Concord, Harmony and Peace Roads. Make a right turn onto your road location and take your assigned position. Using this approach will avoid the need to turn around on these narrow streets.
- Please pause at the Reviewing Stand located at the entrance to the County College. The announcer will introduce you.
