**World War II Casualties for Allied and Axis Powers**

**Objective:** Students will comprehend and reflect, through written demonstration, upon the casualties for both Allied and Axis Powers during World War II.

**A:** My learners are 8<sup>th</sup> grade students with limited knowledge of the casualties of World War II.

**S:** Students will comprehend and reflect, through written demonstration, upon the casualties for both Allied and Axis Powers during World War II.

**S:** **Methods-** I will be utilizing classroom discussion, Socratic questioning, in-class worksheet, and a writing assignment.

**Media-** I will use printed worksheet, in-class video clip and a PowerPoint presentation.

**Materials-** Word search and classroom computer will be used.

**U:** I will begin with a brief discussion of when the United States entered World War II and a brief (1:30) video clip. This will be followed up by the PowerPoint presentation and an in-class word search. The students will be given a writing assignment due in two days.

**R:** My learners will listen to teacher lecture, watch video and take notes for written assignment. My activities include a word search, student notes, and a written assignment.
