

Chicago on a Saturday Night

Some fans came here to dance.
They'll be dancin' tonight.
Some are seeking romance...
Chicago on a Saturday night.

Yeah, we all came out here to meet,
Celebrate our delight.
Have a nice dinner to eat
Chicago on a Saturday night.

This is a party for fans.
Neil Diamond's our man.
That's who we're here for.
That's why we're all sure
That this is a very good plan!

On Saturday night (Saturday night)
Happens in Chicago on a Saturday night,
Saturday night, yeah (Saturday night)
Happens in Chicago on a Saturday night
Saturday night, yeah (Saturday night).

Oh, we try to do good,
Sing the lyrics just right.
Sing it the way we should.
Chicago on a Saturday night.

Hope that our voices are heard
And our song doesn't sound too absurd.
The singing machine
May flee from the scene
Pretending this never occurred

On Saturday night (Saturday night)
Happens in Chicago on a Saturday night,
Saturday night, yeah (Saturday night)
Happens in Chicago on a Saturday night
Saturday night, yeah (Saturday night)

Some fans came here to dance.
They'll be dancin' tonight.
Some are seeking romance...
Chicago on a Saturday night.

No-oh (hell yeah)
Oh no-oh (hell yeah)
Saturday night (Saturday night)
Happens in Chicago on a Saturday night.
Saturday night, yeah (Saturday night)
Happens in Chicago on a Saturday night.
Saturday night, yeah, (Saturday night)
Saturday night!
