

Come support the NS SPCA – we're having a "DOG WASH"

Where – Paws & Play Dog Daycare on
2857 Isleville Street in Halifax

When – Sunday May 23, 2004
from 10am – 4pm

How much – \$20

What do you get? Your dog will get a bath and towel dried by a volunteer and get to go home with a spanky new bandana – while you get to sip free coffee or tea and have small talk with like-minded dog lovers!

Note: Please make sure that your furry companion is on-leash and under your control so that everyone has as super-fun a day as we know it's going to be!

We're planning on having these "dog washes" monthly – so keep your eye out for upcoming dates of future dog washes!

Bandana's donated by NSDogs and fabric donated by the Canine Casbah!
