QUALIFICATIONS

I am a bilingual (English and Spanish) and hard working guy, flexible, tolerant and patient, I like sports and music and I adapt easily to new situations. I like working in a team and enjoy touring. I am familiar with some of the more technical side of touring, due to my previous experience as a sound tech, and I'm also aware of the "big picture" of the whole production due to my previous experiences on my jobs at Wild Punk in Spain.
